**GOOD
FOOD
BOX**

There will be no GOOD FOOD BOX delivery to any of the depots during the month of September. If you paid for September, that will go forward to October. For

those who have paid through to December, that will now move over to January. The Community Development Council of Quinte didn't get the much needed funding they were hoping for, so they will close for September while they revise and revamp their program. They will be back in October, however the date is unknown. Once I'm aware of the date, I will let everyone know. Also, the CDC is looking for volunteers for packing bags on delivery days, and they need truck drivers. Please see Elaine for more information.

Opportunity to serve our community:

Community Care for Central Hastings is looking for drivers to deliver *Meals on Wheels* to Marmora area clients. Delivery days are every Tuesday and Thursday and take approx 2 hours. (Some compensation is available). If you would be interested in helping (even one day per month) with this vital service contact Sue McKeown — email: suem@ccch.ca or call 613-478-2224 ext 5002

Your great response to our 3rd Annual Missions Dessert Auction was awesome. Over \$2300 was raised to assist with the Honduras Missions Trip 2023 expenses as well as to fund projects while there. Special thanks to the bakers, and the bidders and to all those who helped in any way to pull things together.
