

Notes From the Pastor

- ➔ Ministry Opportunity: One of the residents at Caessant Care is wanting to attend church, however, is in need of transportation. Anyone interested in helping to make this happen please see Pastor Peddle.
- ➔ Office Hours: Moving forward our Pastor is asking that phone calls, appointments, and visits be limited to the afternoons if possible. This will allow the morning hours to be reserved for prayer, study, and message preparation. Please note this does not apply to emergency situations.
- ➔ Caessant Care Retirement Home have invited us to come and share in a Gospel sing with their residents on a monthly basis. If you are interested in being apart of a team to go on a monthly basis, see Pastor Peddle.
- ➔ Looking forward to our next Bible Study (starting late February) "Spiritual Warfare is Real" by Jim Cymbala. This 5 session video Bible Study will help us: 1) recognize that we are in a spiritual war, 2) understand the enemy's plots against us, and 3) develop practical strategies for fighting back. This study will help us to know that God gives us victory over sin and death through our Lord Jesus Christ. If you plan to attend and/or would like to obtain a study guide (cost \$25) please sign the list on the bulletin board.

Missions Offering: believing that Missions is at the heart of fulfilling the Great Commission of going into all the world and sharing the Good News of Jesus Christ. This year our Church Is committed to \$950.00 per month in support of our Global Missionaries, Aboriginal ministries of Canada, and local missions projects including UCB radio in Belleville and Youth Unlimited in support of Justin Dracup. If you are not currently supporting missions regularly we would like to encourage you to join with the many who are already giving monthly. Together, be will be able to meet our goal and even surpass it.
